

# BIO PLUS

FOAMING, FABRIC SPOT AND STAIN REMOVER

PRODUCT CODE: 211

## DESCRIPTION AND PRODUCT BENEFITS:

BIO PLUS provides a two-phase approach when cleaning and deodorizing carpet and fabrics. The unique chemical system instantly deodorizes and dissolves embedded grime and organic matter. It is then followed by a bio-enzymatic activity that breaks down organic residue and eliminates stains and odours at the source. BIO PLUS removes unpleasant substances such as milk, wine, vomit, urine, and faeces.

## DIRECTIONS OF USE AND APPLICATION:

1. Shake can. 2. Invert and spray carpet, keeping the nozzle 15 cm (6") away from the area of application. 3. Allow foam to remain on the surface for 2 to 5 minutes. 4. Remove with a damp sponge or cloth. 5. For stubborn stains, retreat areas, repeating steps 2 through 4. Tips: For severe organic stains and odours, cover the treated area with a damp towel; keeping the area moist allows enzymes to continue working longer.

## PRECAUTIONS:

Test all fabrics in an inconspicuous area for colour fastness. Do not mix with other chemicals. Keep from freezing. Extremely flammable, keep away from open flames or sources of ignition.

## HEALTH & SAFETY INFORMATION:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

## DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.

## TYPICAL DATA:

**PH:** ~ 9.0  
**FLASH POINT:** ~ -104 °C (-155 °F)  
**EVAPORATION RATE:** > 1  
**VAPOUR DENSITY (AIR = 1):** > 1  
**PHYSICAL STATE:** GAS  
**BULK DENSITY:** ~ 0.92 kg/L

## AVAILABLE SIZES:

A21102 - AEROSOL - 510 G / 18 OZ
