

# COBRA

## TOUCHLESS CAR WASH SOAP

PRODUCT CODE: 116

### DESCRIPTION AND PRODUCT BENEFITS:

COBRA is formulated for touchless vehicle washing, as it penetrates, lifts and allows for resistant road films, oil, grease and clay soil to float away quickly and consistently. COBRA attacks bug residue and carbon deposits on painted vehicle surfaces as well as on aluminium, painted wood and metal. Apply COBRA using high or low pressure, and rinse with high pressure (500 psi or greater), to leave the surface protected and glossy.

### DIRECTIONS OF USE AND APPLICATION:

1. Dilute 35 mL of COBRA per 1 L of water (1:30). For touchless tunnels and roll-over washes, use 170 mL of undiluted COBRA per vehicle. 2. For wand washes, apply diluted COBRA solution by: (a) starting at the bottom and working upwards. Do not allow to dry. (b) Use a two-stage pressure rinse starting from the bottom of the vehicle working upwards, and finishing from the top of the vehicle working downwards. 3. For floor and brush washing, dilute 10 mL of COBRA per 1 L of water (1:100).

### PRECAUTIONS:

Do not mix with other chemicals. Keep from freezing.

### HEALTH & SAFETY INFORMATION:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

### DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.

### TYPICAL DATA:

**APPEARANCE:** Clear red liquid.

**SPECIFIC GRAVITY:** ~1.00 g/ml

**ODOUR:** Mint.

**PH:** 12.5 ± 0.5

**SOLUBILITY:** Completely water soluble.

**% NON-VOLATILE:** ~14

**VISCOSITY:** Water thin.

### AVAILABLE SIZES:

A11614 - **CUBE** - 18.9 L / 5 US GAL  
A11618 - **DRUM** - 208.2 L / 55 US GAL
