

ROYAL GLAZE

CLEANER AND WAX

PRODUCT CODE: 821

DESCRIPTION AND PRODUCT BENEFITS:

ROYAL GLAZE is ideal for quickly preparing new and used cars for display or delivery, by gently cleaning the vehicle's painted surfaces and removing spider-web scratches. ROYAL GLAZE is easily applied and removed by either hand or machine; buffs clean and produces a non-greasy deep gloss finish.

DIRECTIONS OF USE AND APPLICATION:

1. Preclean vehicle using a Vehicle Wash Soap and dry.
2. Remove paint imperfections with SUMMIT SUPER COMPOUND (product code: 814).
3. Shake well before use.
4. Using a dual action polisher with a polishing pad, apply a thin coat of ROYAL GLAZE to the vehicle's painted surface.
5. Allow product to haze.
6. Buff product to remove off painted surface.
7. Final buff, with a microfiber towel, to produce an optimal shine.

Tips: If using a rotary polisher, use a light cut or polishing pad, and work in small sections at a time.

PRECAUTIONS:

Do not apply in direct sunlight. Do not use in temperatures below 15°C. Do not mix with other chemicals. Keep from freezing.

HEALTH & SAFETY INFORMATION:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.
